THE VALUES OF OUR CAPITALS

“The primary purpose of an integrated report is to explain to providers of financial capital how an organisation creates VALUE over time. An integrated report benefits all stakeholders interested in an organisation’s ability to create value over time, including employees, customers, suppliers, business partners, local communities, legislators, regulators and policy-makers.”

– The International <IR> Framework.

The CAPITALS are stocks of VALUE that are increased, decreased or transformed through the activities and outputs of the organisation.

Consistent with Implats’ reporting boundary to report only on material items affecting value, the capitals and their impact on the Group and the Group’s impact on the capitals have been discussed in the following sections:

Corporate governance affecting value
Trade-offs per decision by the governing body
(Refer page 26)

Stakeholder material matters and their effect on capitals
The impact of stakeholder matters on strategy, risk and the impact on capitals per stakeholder matter (pages 62 to 73)

Value created (net increase/decrease in capitals)
The increase or decrease in value in financial margins as reported in the financial information provided and movements in cash flow and reserves
